MISSION

I.W.I.N. Foundation supports women statewide currently receiving treatment for breast cancer by securing and paying for individual services that relieve emotional, physical and financial burdens.

Message from our Founder

Dear Friends of I.W.I.N.,

As we celebrate 16 years of service, I am reminded of the kindness and generosity from others that help us achieve our overall goal of helping women through a truly challenging time. Our participant surveys repeatedly share that the emotional, physical and financial assistance I.W.I.N. provides gives them the strength they need to stay engaged in their treatment and on the road to getting well again.

This year's success is due to the steadfast support of past donors, passionate commitment from our new corporate and grant partners, dedicated volunteers and the creativeness of community fundraisers across the state. By far, this year marks a year of significant growth for I.W.I.N.... a growing community working together for the common good.

Your support matters to many! Our women come from all walks of life and are those with the fewest support resources. Your gift is valuable and allows us to maintain our promise to women in need throughout Indiana. Thank you for your continued support!

With gratitude,

Nancy Shepard, R.N.

The Women We Serve...

"After being diagnosed we found issues with our vehicle and had to purchase a new one. We had other expenses coming in so with the I.W.I.N. grant, it really helped to take some of that worry or question on how we would get things done. We are so very grateful to I.W.I.N. and the help they provided."

Sonya, Hamilton County

"The gift cards were a great help for food and gas. I didn't have to worry about having gas to put in my car to go back and forth to my treatments. I could purchase food and Boost with a little ease. I'm grateful, thankful that you were a blessing to me.

Thank you always!"

12th Annual Pink Pajama Party

The 12th Annual Pink Pajama Party was held on February 19 and 20, 2016 at the Indianapolis Marriott North. This year's theme was "Give Cancer the Boot," and included a night of fine food and drinks with a western twist, dancing to live music by *Living Proof*, a silent auction and complimentary pampering services provided by local spas and salons. The following morning, guests enjoyed a yoga class and a powerful breakfast program. Over 250 guests attended this one-of-a-kind event.

Founders Award

I.W.I.N. presented the 2016 Founder's Award to Connie Larkey, a two-time breast cancer survivor, who spearheads Triton Central's Annual Girls Basketball "Pink Out" Game to benefit I.W.I.N., which raised \$18,000. The Founder's Award is presented annually to an individual or group who has provided extraordinary contributions to the advancement of I.W.I.N.'s mission.
